

Dear Store Manager,

I am a loyal customer and very much enjoy shopping at your store.

I would come here even more if you carried my favorite GOOD4U Drinks.

They are the best Sports Nutrition drinks available and they are 100% natural, with low calories, sweetened with stevia, and ingredients that really are Good For You.

GOOD4U Drinks were designed to introduce consumers across North America to healthier alternatives and allow them to feel good about what they drink.

Thank you for taking the time to read this letter and please call GOOD4U Drinks to get some information on these natural sports drinks for your store
